Certified Speaking Professional Member Accreditation
Release of Information Authority

To whom it may concern

As part of my on-going professional development I am applying for accreditation as a "Certified Speaking Professional" (CSP*) by my professional body, Professional Speakers Australia (PSA).

The process for accreditation is rigorous and involves my business activity being verified.

This letter authorises you to provide information to the PSA appointed auditor who has contacted you. The information he or she may require will include dates and duration of work I performed for you, the nature of the work and the fee I was paid.

I would be grateful if you would provide the information the auditor seeks so my accreditation application can progress smoothly.
